[Intro]

Hmm

Hmm hmm hmm hmm

Hmm hmm hmm hmm

Hmm hmm hmm hmm hmm

[Verse 1]

Sometimes in our lives, we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrow

[Chorus]

Lean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on

[Verse 2]

Please swallow your pride

If I have things you need to borrow

For no one can fill

Those of your needs

That you won't let show

[Bridge]

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean on

[Chorus]

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

[Bridge]

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

[Verse 3]

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

[Outro]

(Call me) If you need a friend  
(Call me) Call me, uhuh uhuh  
(Call me) If you need a friend  
(Call me) If you ever need a friend  
(Call me) Call me  
(Call me) Call me  
(Call me) Call me  
(Call me) Call me  
(Call me) If you need a friend  
(Call me) Call me  
(Call me)

Lyrics: <https://genius.com/Randy-newman-youve-got-a-friend-in-me-lyrics>

[Verse 1]

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
You just remember what your old pal said  
Boy, you've got a friend in me  
Yeah, you've got a friend in me

[Verse 2]

You've got a friend in me  
You've got a friend in me  
You've got troubles, and I've got 'em, too  
There isn't anything I wouldn't do for you  
We stick together and we see it through  
'Cause you've got a friend in me  
You've got a friend in me

[Bridge]

Some other folks might be a little bit smarter than I am  
Bigger and stronger too, maybe  
But none of them will ever love you the way I do  
It's me and you, boy

[Verse 3]

And as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

### [Verse 1]

If you ever find yourself stuck in the middle of the sea  
I'll sail the world to find you  
If you ever find yourself lost in the dark and you can't see  
I'll be the light to guide you

### [Pre-Chorus]

Find out what we're made of  
When we are called to help our friends in need

### [Chorus]

You can count on me like 1, 2, 3  
I'll be there  
And I know when I need it  
I can count on you like 4, 3, 2  
And you'll be there  
Cause that's what friends are supposed to do, oh yeah

### [Verse 2]

If you're tossin' and you're turnin'  
And you just can't fall asleep  
I'll sing a song beside you  
And if you ever forget how much you really mean to me  
Every day I will remind you

### [Pre-Chorus]

Find out what we're made of  
When we are called to help our friends in need

### [Chorus]

You can count on me like 1, 2, 3  
I'll be there  
And I know when I need it  
I can count on you like 4, 3, 2  
And you'll be there  
Cause that's what friends are supposed to do, oh yeah

[Bridge]

You'll always have my shoulder when you cry  
I'll never let go  
Never say goodbye

[Chorus]

You can count on me like 1, 2, 3  
I'll be there  
And I know when I need it  
I can count on you like 4, 3, 2  
And you'll be there  
Cause that's what friends are supposed to do, oh yeah

[Outro]

You can count on me cause I can count on you

Lyrics: <https://genius.com/Dionne-warwick-thats-what-friends-are-for-lyrics>

[Verse 1]

And I never thought I'd feel this way  
And as far as I'm concerned  
I'm glad I got the chance to say  
That I do believe I love you  
And if I should ever go away  
Well then, close your eyes and try  
To feel the way we do today  
And then if you can remember

[Chorus]

Keep smilin', keep shinin'  
Knowin' you can always count on me for sure  
That's what friends are for  
For good times and bad times  
I'll be on your side forevermore  
That's what friends are for

[Verse 2]

Well, you came and opened me  
And now there's so much more I see  
And so, by the way, I thank you  
Oh, and then, for the times when we're apart  
Well then, close your eyes and know  
These words are comin' from my heart  
And then if you can remember, oh

[Chorus]

Keep smiling, keep shining  
Knowing you can always count on me for sure  
That's what friends are for  
In good times, in bad times  
I'll be on your side forevermore  
Oh, that's what friends are for, oh

[Chorus]

Oh, keep smilin', keep shinin'  
Knowin' you can always count on me for sure

That's what friends are for  
For good times and bad times  
I'll be on your side forevermore  
That's what friends are for

[Chorus]  
Keep smilin', keep shinin'  
Knowin' you can always count on me, oh, for sure  
'Cause I tell you that's what friends are for  
For good times and for bad times  
I'll be on your side forevermore, oh  
That's what friends are for

[Outro]  
(Ha ha, that's what friends are for)  
(Ha ha, yeah)  
On me for sure  
Count on me for sure  
Count on me for sure  
That's what friends are for  
Keep smilin', keep shinin'

**Our Special Absent Friends** by Daniel O'Donnell

Lyrics: [https://www.last.fm/music/Daniel+O%27Donnell/\\_/Our+Special+Absent+Friends/](https://www.last.fm/music/Daniel+O%27Donnell/_/Our+Special+Absent+Friends/)

the time has come to say goodnight  
for every road must end  
for the ones who care and they're always there  
our very special friends

let's say goodnight to those we love  
and maybe shed a tear  
but before we close let's think of those  
we love who can't be here

let's raise our hands to absent friends  
for every road must end  
you'll always be there in our hearts  
our special absent friends

as we go down the road of life  
sometimes we race too fast  
and as we chase the future bright  
we can't forget the past

so let us cherish memories  
we hold inside our hearts  
where those we love will always live  
and never to depart

and when it's time for us to go  
and our long journey ends  
we'll never be alone you see  
we'll be with absent friends

let's raise our hands to absent friends  
for every road must end  
you'll always be there in our hearts  
our special absent friends
